**EB Docket 06-36**

Annual 64.2009(e) CPNI Certification for 2011 covering the prior calendar year 2011.

Date Filed: January 28, 2012

Name of company covered by this certification: Interactive Media Technologies, Inc d/b/a Globaltel

Form 499 Filer ID: 813250

Name of Signatory: Steve Williams

Title of signatory: President

I, Steve Williams, certify that I am an officer of the company named above, and, acting as an agent for the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. §64.2001 *et seq.*

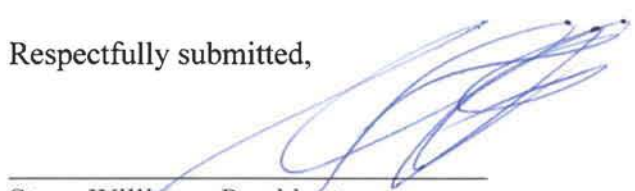

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

The company represents and warrants that the above certification is consistent with 47 C.R.F. §1.17 which requires truthful and accurate statements to the Commission. The company also acknowledges that false statement and misrepresentations to the Commission are punishable under title 18 of the U.S. Code and may subject it to enforcement action.

Respectfully submitted,

---

Steve Williams, President  
Interactive Media Technologies, Inc d/b/a Globaltel

**Description of CPNI Policies and Procedures****FCC Mail Room**

Interactive Media Technologies, Inc. dba Globaltel. ("Globaltel"), maintains the security of CPNI. The company has security measures in place to protect this data from external attacks to its website and improper verbal requests for data via personal contacts with Globaltel's customer care. Globaltel's web portal allows customers to view traffic data. The web portal has login/password security and uses encryption to ensure the security of this information. The web portal limits customers to accessing their specific data only. The company has procedures in place to allow only customers of record to obtain specific call detail information. The company's employees have been trained in the proper use of CPNI, and the company will enforce strict disciplinary measures for employees that misuse or mishandle CPNI. Globaltel does not provide CPNI to any third parties and does not sell CPNI.
